"We Care. We Fight. We Show Up. We Vote."

The Los Alamos Federation of School Employees Committee on Political Education congratulates President Joe Biden and Vice President Kamala Harris on their inauguration and appointment as leaders of the United States. We are excited on the future of our country and education under your leadership.

The office of the President and Vice President have led us through many trying times and many successful times. The policy that they set forth not only define their offices but the path the country takes. We know under your leadership, equality will strive, education will be valued, the economy will flourish, and the country will be as great as it once was.

Again, congratulations President Biden and Vice President Harris.
